PS (Professional Services) Engagements

Adani Ports Wireless Survey (Mundra): Connectivity Across 49 Lakh Sq. Ft.

Inflow services in collaboration with Cisco conducted an extensive wireless survey at Adani Ports, Mundra, identifying coverage gaps and validating the existing network infrastructure.

Our detailed recommendations improved signal issues, enhanced connectivity and thus maximised user experience.

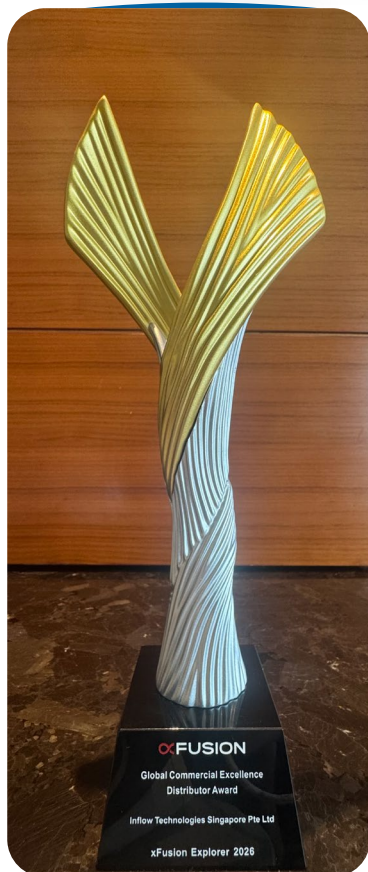

HAL Wireless Survey and Implementation: End-to-End Mobility Transformation

Inflow is assisting Rockstack (channel partner) in surveying over 10 lakh sq. ft. across HAL's Tumkur and Bengaluru facilities to identify optimal access point locations. The team is implementing Aruba wireless infrastructure and ClearPass authentication, followed by end-to-end testing in alignment with HAL standards.

Inflow Technologies India has been recognized as "Distribution Partner for India & SAARC Regions & Valuable Partnership" at the Versa Networks Annual Conclave – Versatility 2026 in Colombo, Sri Lanka

Inflow Technologies Singapore has been recognized with the Global Commercial Excellence – Distributor Award at the X Fusion Explorer 2026 event, held in Zhengzhou, China.

Awards

Inflow Technologies Private Limited has been recognised at the 21st Karnataka Best Employer Brand Awards 2026 - a testament to our commitment to building a strong, people-first workplace and employer brand. Adding to this achievement, Nancy Varghese, HR & Admin, Inflow Technologies, was honoured as "Most Admired HR Professional."
